Applications for New Board of Directors

s.p.a.c.e is entering into a period of expansion. We are seeking to move forward with our vision of activating an inclusive community in the Western Suburbs of Brisbane. To help us achieve this vision we are seeking fresh leadership in the form of a new and innovative board of directors.

We are seeking a purpose built group of forward thinking individuals to work with the s.p.a.c.e community in establishing a sustainable home. It is anticipated that this group would be made up of between 5 and 8 people all of whom have diverse backgrounds and individually bring a specific set of skills to the table. Their appointment will begin in November of 2010 and by the end of 2012 they will have moved s.p.a.c.e into a position of strength and leadership within the community.

Initially the current Board of Directors, in consultation with s.p.a.c.e business advisor Darren Djong, will appoint the new Board members. In the future, however, the Board will be elected by s.p.a.c.e members.

Applications will be available as of August 16. To receive a copy of the application please register your interest with s.p.a.c.e CEO Alissa Phillips at alissa@thespace.org.au

Expectations of candidates include:

- Board members will attend all quarterly meetings without exception.
- Board members will be passionate about s.p.a.c.e and willing to represent s.p.a.c.e.
- Board members will be willing to share their networks.
- Board members will remain on the board only as long as they are making a contribution.
- Board members will possess a strong sense of accountability and transparency in their practices and communication style.
- Board members will have an appreciation for working intergenerationally

Best wishes,

The s.p.a.c.e Board of Directors
